No. NVC/VSR/73/2023

Date - 03/10/2023

To,
The Chairman
Board of Studies in Veterinary Surgery & Radiology
MAFSU, Nagpur

Subject: Request for correction in the subject No.VSR/10/2023 of proceedings of BOS as per discussion in the meeting regarding the approval to the ORW's of Shri **Nikhil Hemant Jain**, M.V.Sc student ...reg.

Respected Sir,

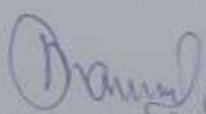

It is to submit that during the meeting of BOS meeting held on 26th and 27th June, 2023 at MAFSU, Headquarter Nagpur the ORW's of M.V.Sc. students were discussed for grant of approval. During discussion of the ORW's of Shri **Nikhil Hemant Jain**, M.V.Sc student, it was decided that the objective No.1, 2 and 4 be deleted and only objective no. 3 be kept single objective as "To assess the feasibility of Laparoscopic Cholecystectomy in dog". Further, it was also decided that in the Material and Methods - Group I be deleted and only one group comprising of 6 cases shall be kept, and be subjected to the Laparoscopic Cholecystectomy in dog.

However, in proceedings of BOS dated 23/07/2023 by mistake it was mentioned that 12 cases may be included in group 2.

Therefore, you are kindly requested to make the correction in the Material and Methods mentioning only one group comprising of 6 cases as below.

Name of Student	Nikhil Hemant Jain
Major Advisor	Dr. G. A. Fiske
Title of Thesis Proposed	Studies on Laparoscopic Cholecystectomy for management of Gall Bladder affections in Dog
Objectives	To assess the feasibility of Laparoscopic Cholecystectomy in dog
Material and Methods	Group I - 6 cases - Laparoscopic Cholecystectomy

Submitted for kind consideration and approval, please.
Thanking you,

03-10-23
